1. C/PCS			<p>Herewith an account of my discussions with HPSCI staffers. The HPSCI hearing that is scheduled for 15 June raises the question of where we go from here in discussions with DoD management in the meantime. As the DCI told Dick Stilwell on 7 June, he wants to be able to assure the HPSCI that DoD is coming around to our position on coordinating foreign liaison, confining MONARCH EAGLE to compatible areas of intelligence gathering and improving collection management within DoD. Does the DCI intend to discuss this with SecDef on 12 June and does he need any talking points from us for this purpose? The DCI statement to HPSCI should indicate that momentum is being maintained in our arrangements with DoD.</p> <div style="border: 1px solid black; width: 150px; height: 50px; margin: 10px auto; text-align: right; padding-right: 5px;">25X</div>
